iPres 2015   **Poster/Demo Program**

	#	Authors	Title
Demo (3)	1	Mark Leggott and Erin Tripp	Mind the Gap. Bridging Digital Libraries & Archives
	2	Adi Alter and Ido Peled	Managing and Preserving Research Data in Ex Libris Rosetta
	3	Pyounguk Cho and Art Pasquinelli	The Oracle Cloud Storage Archive for Long-term Storage and Preservation

	#	Authors	Title
Infrastructure and Community Standard of Digital Preservation (7)	4	Jessica Tieman	Strategies for Audit-based Repository Certification: Guidelines, Resources, and Tools to Prepare, Organize, and Evaluate Criteria Evidence
	5	Winston Atkins, Erin Engle, Andrea Goethals, Karl Jackson, Kate Murray, Carol Kussmann	In the Thicket of It with the NDSA Standards and Practices Working Group: Cultivating Grass Roots Approaches to Real-World Digital Preservation Issues
	6	Chris Erickson and Barry Lunt	Alternatives for Long-Term Storage Of Digital Information
	7	Barbara Sierman, William Kilbride, Hervé L'Hours and Paul Wheatley	Invitation to Join the OAIS Community Platform
	8	Ed Fay, Becky McGuinness, Carl Wilson and Nick Krabbenhoeft	Open Preservation Foundation Community Survey 2015
	9	Janet Delve, David Anderson and Andrew Wilson	Addressing Major Digital Archiving Challenges
[WITHDRAWN]	10	~~Yin Gaolei and Zhao Yan~~	~~The Strategic Framework and the Mechanism of Rights Management of Long-term Preservation~~

	#	Authors	Title
Innovation in Workflow and Practice (9)	11	Eld Zierau	Automatic Identification and Preservation of National Parts of the Internet Outside a Country's Top Level Domain
	12	Adi Alter and Ido Peled	An Institutional Digital Repository Backbone
	13	Michael Shallcross and Max Eckard	ArchivesSpace-Archivematica-DSpace Workflow Integration
	14	Nancy Hoebelheinrich and Stephen Abrams	*Dash* Curation Service Infrastructure Enhancement: An Informed Extension & Redesign
	15	Bolette Ammitzbøll Jurik, Asger Askov Blekinge and Kåre Fiedler Christiansen	Minimal Effort Ingest
	16	Juha Lehtonen, Heikki Helin, Kimmo Koivunen, Kuisma Lehtonen and Mikko Tiainen	A National Preservation Solution for Cultural Heritage
	17	Gail Truman and Jaime Henderson	Using the Virtual-private Cloud Model to Serve and Preserve Historical Collections: A Case Study (Based on Islandora)
	18	Jennifer Thoegersen	Making the Pieces Fit: Integrating Preservation into a Digital Material Ecosystem
	19	Martin Klein and Kevin Clarke	Modeling Tweets in Compliance with the Portland Common Data Model

	#	Authors	Title
Emulation, Migration, and Long-term Accessibility (7)	20	Shunsuke Yamamoto	Research on Accessibility of Digital Documentation on Physical Media across Different Versions of MS Windows
	21	Elizabeth Russey Roke and Dorothy Waugh	Protecting the Long-Term Viability of Digital Composite Objects through Format Migration
	22	Nicole Contaxis	Preserving In-House Developed Software
	23	Umar Qasim and Kendall Roark	Preserving Qualitative Data: A Data Model to Prepare Computer Assisted Qualitative Data Analysis Software Data for Long-term Preservation
	24	Dragan Espenschied, Isgandar Valizada, Oleg Stobbe, Thomas Liebetraut and Klaus Rec	(Re-)publication of Preserved, Interactive Content -- Theresa Duncan CD-ROMs: Visionary Videogames for Girls
	25	Catherine Jones, Brian Matthews and Ian Gent	Software Reuse, Repurposing and Reproducibility
	26	Walker Sampson and Alexandra Chassanoff	Providing Access to Disk Image Content: A Preliminary Approach and Workflow

	#	Authors	Title
Teaching, Education, and Research Data Management (11)	27	Sherri Brown, Wendy Hagenmaier, Lizzy Rolando, Jody Thompson and Alison Valk	The retroTECH Program at the Georgia Tech Library: Digital Preservation through Access
	28	Stephanie Westcott, Kelle Cruz and Eric Olson	Preserving Informal Astronomy: Arceli, the PressForward Plugin, and the Archiving of Scientific Communications
	29	Umar Qasim, Chuck Humphrey, John Huck, Leanne Trimble, Alex Garnett, Dugan O'Neil	Assessing the Scale of Challenges for Preserving Research Data
	30	Robert Downs, Ruth Duerr, Devan Donaldson and Sarah Ramdeen	Establishing Trustworthy Repositories of Scientific Data: Opportunities and Benefits
	31	Shane Coleman, Andrea Ogier and Mohamed Farag	In Search of GeoBlacklight: Reporting on a Community-Driven Geospatial Data Portal in the Library
	32	Thu-Mai Christian and Sophia Lafferty-Hess	Achieving Transparency and Replicability: A Data Curation, Verification, and Publication Workflow
	33	Todd Suomela	Should Web Archives Be Used for Research Data Preservation?
	34	Helen Tibbo, Thu-Mai Christian and Rachel Goatley	Targeting Audiences among the Masses: A Data Curation MOOC for Researchers and Information Professionals
	35	Chloé Pascual	Preserving Electronic Syllabi at California State University Long Beach
	36	Carolyn Hank, Noah Lasley, Xiaohua Zhu, Kylan Shireman and Charlene N. Kirkpatrick	What We Teach: An Assessment of Graduate-Level Digital Curation Syllabi
	37	K Rama Patnaik	Congregating Socio-Economic Data Sets for Scholastic Research: A Case Study in IIMB Library
