United States

B

Milltown, East Main Street,
Carrboro, NC, United States

C

Beer Study, North Graham
Street, Chapel Hill, NC, United
States

There is no formal reception on Thursday night but we have put together a map for those of you wishing to sample some great Chapel Hill beers. This is a self guided tour and we recommend we go with other conference attendees. The map contains a route to three good drinking/dining spots over a distance of approx 700 metres. Please drink responsibly. Workshops start at 9am on Friday morning on campus.
